Dear Interested Party,

I have been made aware that I signed the Little Cronan Thin Project Decision Memo prematurely, prior to completion of consultation with the U.S. Fish and Wildlife Service. The Decision Memo, dated July 27, 2011, has been withdrawn, and I plan to issue a new decision once we have receipt of Fish and Wildlife Service concurrence under the Endangered Species Act. No changes to the proposed action are anticipated. Scoping of this project has already taken place; no new scoping will be initiated.

Sincerely,

DAVE HAYS
District Ranger
